

# St. Michael Catholic School PRE-SCHOOL PROGRAM

## Pre-Kindergarten for 3 and 4 year olds

A faith-centered, play-based learning environment that builds confidence and encourages curiosity in our youngest learners.

- The program is designed to develop the whole child through hands on experiences while fostering social, emotional, and cognitive growth in a safe and nurturing setting.

- Thematic units integrate religion, art, drama, music, health, and science into the academic program.
- Math curriculum geared toward preschoolers, with a focus on identifying and understanding simple patterns, sequencing, graphing, and number sense.
- The Language Arts program introduces students to literary themes and authors. Students begin to recognize capital and lower case letters.

- Handwriting is introduced.
- Integration of Technology.

*Aftercare is available for an additional fee.*
